

**NEW! FLY STEAMBOAT COUPON BOOK
DEADLINE: SEPTEMBER 1ST**

The Fly Steamboat Program was established in 2000, as a community partnership between the Steamboat Ski & Resort Corporation, the City of Steamboat Springs, the Steamboat Springs Chamber Resort Association and local businesses to financially support air service into the Yampa Valley.

Every year local businesses make contributions to help bring American Airlines, Continental Airlines, Delta Airlines, Northwest Airlines and United Airlines into Yampa Valley Regional Airport (HDN).

All businesses in the Yampa Valley from both Routt and Moffat counties can benefit from the continued growth of reliable air service into Yampa Valley Regional Airport.

In order to reward Fly Steamboat contributors we hope you will submit a special offer from your business that will be printed in a coupon book. One coupon book will be distributed to each business owner/manager for their use during the 2010-2011 season. All types of businesses are invited to participate in this program.

The *deadline to submit your special is September 1st*
