Exciting News to Share?

The new [online Media Center](#) on SteamboatChamber.com is now accepting press releases from chamber member businesses. Newsworthy press releases should be submitted to Molly@steamboatchamber.com.

2nd Annual CRA Pro-Start Classic

Businesses, Supporters, Fellow Golfers and Friends,

As the weather becomes more enjoyable each day, the golf season continues. There will be a variety of sponsorship, volunteer and advertisement opportunities as well as more prizes and awards than last year. The Chris Corna ProStart Scholarship Fund still has all of the money that we raised last year as the program is currently developing in our local school system. We plan to award one or more scholarships during this year once the program is fully underway. May we also continue to remember the man that this scholarship has been named in memory of, a great friend to many, Chris Corna. Please mark your calendars, form your teams, tell your friends and get ready for another beautiful afternoon of golf on **Friday September 10, 2010 at the Rollingstone Ranch Golf Club**. A few lucky golfers will have a chance to take a shot for \$1,000,000.00 at this year's tournament. **For forms and information about the tournament contact Emert and Diane, Colorado Restaurant Association Steamboat Springs Chapter, 970-819-4948.**

dig in! is a free magazine for the public to help people locate locally raised, grown, and made food and products and local services. dig in! is published three times a year, and 2500 copies are printed and distributed to various locations around Moffat and Routt Counties, including locations of advertising businesses and members of NWCP. It is the goal of the magazine to strengthen the local economy by providing an opportunity for local producers to showcase their products so that their neighbors can support their endeavors and **BUY LOCAL! Contact Chad and Christina at 846-9662 or DigInMagazine@ymail.com** for more information.

Colorado Innovation Investment Tax Credit: CIITC is an economic development stimulus program, developed and implemented by the state of Colorado to invest in its people and its future by providing an incentive to invest in small innovative

Colorado businesses. Get the facts [HERE](#).
