

Banana Republic and the Gap in Steamboat Springs? No way. You'll find Routt County wool blankets, honey from mountain wildflowers, Western attire, socks made to survive a Steamboat winter and unsurpassed outdoor equipment. A bonafide cowboy store shares the shopping scene with boutiques, artists' co-ops, bookstores, and home-furnishing stores. You won't be surprised to find fishing gear and log chairs, but would you believe you'll also find near-flawless diamonds and fine crystal? There's more to the Yampa Valley than an outdoor playground. Steamboat is a treasure trove for shoppers.
