

**Routt County High School graduates need your support to help further their education!!**

**Over \$160,000 has been distributed to date.**

**Say YES to our youth!!**

**This is the 23<sup>rd</sup> year for the Y.E.S. Golf Tournament**

For your support we will provide you with an excellent opportunity to connect with a fantastic demographic of golf enthusiasts, community leaders and local business owners.

To increase the value of your sponsorship the Steamboat Chamber Ambassadors will be throwing an After-Hours Mixer (open to the public) at RollingStone following the tournament. Silver, Gold, and Title sponsor packages include a business booth at the After-Hours Mixer where you can gain exposure to 200-300 business representatives that attend the Chamber Mixers on average.
