Pinnacol Offers Extensive Online Resources to Policyholder and Agents

Did you know that Pinnacol Assurance offers an extensive collection of educational resources and materials on our Web site? Did you know that most of these resources, which are free to policyholders and agents, are available for you to download or order at your convenience simply by logging in to Pinnacol.com?

There are several types of resources on Pinnacol's Web site including forms, materials, publications and useful links. Many of these resources are available in English and in Spanish. Pinnacol's online resources include:

Forms:

- Declaration of Independent Contractor Status (available in English and Spanish)
- First Report of Injury (available in English and Spanish)
- *SelectNet* Medical Provider Designation

Materials:

- Pinnacol Assurance: Who We Are
- 2010 Policyholder Seminar Brochure
- Auditing Your Policy (available in English and Spanish)
- Claims Management, A Partnership that Pays
- Getting Back to Work

Publications:

- Annual Reports
- Community Involvement Reports
- Newsletters including *Focus* and *Provider Pulse*

Links:

- Colorado Government Agencies
- Federal Government Agencies
- Industry Associations

In 2009, some of the online resources that policyholders and agents downloaded and used most often included the “Declaration of Independent Contractor Status” form and the Claims Management kit. If you are unable to find and/or download a specific form or resource material from the Web site, click on the “Order Materials” link. The Order Materials section includes a comprehensive list of all of the resources available for policyholders and agents to order directly from Pinnacol. In addition to materials that cover general information such as the *Employer’s Guide to Workers’ Compensation* (available in English and Spanish) and the *Basis of Premium Guides*, you can order CD and DVD training and resources, posters and a wide variety of safety materials.
